

Surfing Walk Of Fame Honors Dave Rochlen Sr.

We are pleased to announce that our very own Dave Rochlen Senior will be posthumously inducted into the Surfing Walk of Fame 2010 this summer for his contributions to Surf Culture. Dave will join other surfing greats in having his 'star' placed on Main Street, Surf City USA! The S.W.O.F. is dedicated to Duke Kahanamoku the "Father of Surfing" and honorees are selected by ballot from an international panel of surfing authorities.

Congratulations Dave.
